

We Buy Used Sheds and Take Trade in's

Thinking of upgrading to a new shed? Your old shed may earn you a nice discount on your new one! We will take care of the headache of removing your old shed and pay you to do so.

The standards for buying your used shed are the same for our trade ins'; We will make you an offer based on our evaluation of your shed. If accepted we will come pick your shed up and pay you with a check at the time of pick up.

Not all sheds can be sold or traded in. We have moving restrictions based on height and our truck and trailer. Some sheds are too far gone to be bought and restored. Sheds without floors or homemade sheds cannot be moved and resold.

Is your old shed too small or the layout not the best it could be? A shed should be a property enhancement; not a cluttered nuisance. If this is the case; you are in the market for a new shed!

Trade in or sell your old shed and start enjoying your new one!

We can move your existing shed to another property call us for a quote!

We can also prepare a pad for your shed and do all site work!
